

ADJOURNED TOWN MEETING.

The annual March meeting in Weymouth was adjourned to April 24, at 2 o'clock, Monday afternoon, at 2 o'clock, about four hundred citizens assembled at the town hall, to consider the remaining articles of the warrant. One article (7) relating to the establishment of a High school at East Weymouth, was properly thoroughly "considered," a large portion of the afternoon being occupied in its discussion. The recommended reports were first in order, and the Selectmen's report having been revised by omitting the item "Cash in Treasury," on 11th page, and "Town Debt and Assets," on page 72, the report now standing as one of receipts and expenditures was accepted. The Auditor's report with discrepancy in date corrected, and as amended it was accepted. The committee on the schoolhouse lot extension in Ward 3 asked leave to report in print, which was granted.

Article 7, concerning a High school at East Weymouth was then taken up, and a long and vigorous debate ensued. The chief feature of the debate was that the multiplication of High schools in the town was an unwise policy; that under such a system the grades both of High and Grammar schools were injuriously lowered.

Z. L. Bicknell and David Tucker, Esqs. were the principal speakers in favor of the action, the former stating that the Ward has the largest number of school children, the largest number of children being in Ward 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

In continuing the arguments in favor of the school, David Tucker, Esq. also alluded to the burden of expense entailed upon some who could not afford the money. Several motions followed, that the subject be referred to the school committee, to report at the next annual meeting; that an independent committee of one from each ward be raised to consider the matter, that the fares of the scholars from the ward be paid, with an amendment to include those from Ward 1. This was declared to be out of order, and it being suggested that under Article 7, Esq. moved to take up that article, and a further motion was made that the vote of the March meeting of \$20,350 for schools, be reconsidered and the amount needed for fares be included in that sum. By a mistake the chair had considered the article tabled, and statement of the mistake having been made, Mr. Tucker made a motion that Article 7 (in substance) be adopted, providing for the purchase of a lot and building a schoolhouse suitable for a High school, and establishing a high school in Ward 2, on or before Sept. 1 next. A renewed debate then ensued, and the whole matter of school affairs was thoroughly discussed.

Rev. Mr. Terry arguing that the intent of the school to the Landing to East Weymouth, and he stated that he would favor the establishment of the school there, as it would be a step towards taking to a single High school system. The argument pro and con was continued by various speakers, when A. J. Richards, Esq., after stating that it was impossible to build a schoolhouse in the town, moved that a committee of one from each ward be raised, to consider the matter and report at next March meeting.

The hour for which a special meeting had been called, to consider the purchase of a steamer for Ward 5, had arrived, and Noah Vining Esq. moved that the present meeting be adjourned 20 minutes, but his motion was again discussed. Louis A. Cook, Esq., hoped that Mr. Richards' motion would not prevail, and believed that fares should be paid, or the High school moved to East Weymouth. The question was then put and declared not voted. Mr. Tucker's motion was again in order, and he further argued in its favor. Hon. Jas. Humphrey moved a division of the question, when his motion was accepted, and the first part was voted, yeas 93, nays 76. The second part was also voted, 87 to 76, and East Weymouth will have a High school.

Mr. Vining then renewed his motion to adjourn for a given time to act on the warrant of the special meeting, which was voted, and Hon. Jas. Humphrey was elected Moderator of the meeting. The question of procuring a steamer, and horse carriage for Ward 5 was then debated, and Mr. J. M. Whitcomb moved that \$4200 be appropriated for the purpose, to be expended under direction of the Engineers. In the discussion which ensued Mr. Wm. Dyer said the town was drifting on a tide of rivalry and jealousy, in a desire of one section to outdo the other, and that it was a pity that such a spirit should have been kindled, and if this spirit is to rule, he hoped the town would be divided. Mr. M. Ford, after asserting that things had come out just as he expected three years ago, in filling the town with fire apparatus without competent provision of water, and that probably in another year a movement would be made to divide the town, or bring water into it, moved that the article be laid on the table for one year, which was voted, 100 to 38, and the special meeting was then adjourned.

and revelations, came fast and thick, but the motion of Mr. Tucker for \$15,000 finally reached a vote and was accepted.

A motion was then made that when this meeting is adjourned the time be set for two weeks from that day, at 2 p.m., which was voted, yeas 100, nays 38.

P. W. French moved a reconsideration of the action of the March meeting, indefinitely postponing the matter of a new road from Station and Commercial street, but the motion was defeated.

Z. L. Bicknell then moved that a committee of five, three from the School Committee and two Selectmen, be appointed to purchase the land and build the new schoolhouse in Ward 2, which was voted. He also offered a motion to raise \$1200 and half the receipts for dog licenses for the expenses of the Tufts Library, and \$300 for the dog license meeting, which were carried and the meeting was then adjourned to Monday, April 16, at 2 p.m., about 25 more Articles of the warrant remaining to be acted upon.

The Grand Army Fair.

There was a large attendance of comrades at the meeting of the Grand Army Post, Tuesday evening. The tickets for the grand fair were issued, and the members showed a determination to make the fair a complete success. There is work to be done, and if every comrade will do his share of it, the burden will be comparatively light. We append the list of prizes, arranged by the committee. The tickets can be procured of any member of the Post, and comrades who have not been supplied with tickets will obtain them of the Quartermaster. There will be a special meeting of the Post on Tuesday evening next, when a full attendance is requested, as further arrangements for the fair are to be made.

Rev. Mr. C. P. Poole is having his house newly painted, as is also Willie Spillsted.

The sick list is quite large in this village. Miss Myra Sutton has been sick the past week. Mrs. Annie Poole has been very sick for two weeks, caused by having some teeth extracted. Mr. Oliver Shaw is very low and is not expected to live long. Mr. J. H. Marshall Stetson has been quite sick for a week, but is better now. Mrs. Henry Gardner is slowly improving.

Miss Mattie Hawes found a sum of money, which the owner can have by proving property and paying charges.

Mrs. Katie Poole died at her residence on the 22d of March, after a long sickness. She had been a great sufferer the past year, but many kind friends ministered to her wants, and helped to sustain her path to the grave, for which her family was deeply indebted. The following lines upon her death are published at the request of friends:

Can it be that she has left us?
That our hearts are left in pain?
That we shall never see her
Till the angels call her name?
Oh, how hard we tried to keep her
From the angels' hands to roam!
But with all our faithful watching
God has taken her home to roam.

After one year of sorrow,
Laying in a bed of pain,
Ourselves, ever faithful,
Never murmured or complained,
Lying in waiting, and in grief,
From her heavenly Father's Throne,
Everlasting day she has come home,
To dwell in glory and in peace,
To reign with him forevermore,
To reign with him forevermore.

Obituary.

Elizabeth Holmes Aiken was born in Lowell, Mass., June 9, 1847. Her father died when she was but two years old, and her mother when but eight years of age. When ten years old she was married to Mr. A. L. Water, of the above city, with whom she lived until she was united in marriage to Frederick W. Harris, of this place, in 1873. She and her husband, little Annie five, and Isabel, seven years of age, who were her father and mother's only children, were all killed by a train of the Boston and Lowell road, on Monday afternoon, at her late residence on Front street, the Rev. L. H. Fray officiating. The beautiful casket was laden with flowers of the choicest and rarest kinds, among them the most noticeable being a very handsome pillow, with the word "CRESCENT" wrought with cut flowers, also a Crescent, Cross, and Heart, all beautifully wrought, with bouquets, etc. The principal portion of the flowers were brought into it, moved that the article be laid on the table for one year, which was voted, 100 to 38, and the special meeting was then adjourned.

F. W. Lewis, Esq. then moved to reconsider the vote of the March meeting to purchase a schoolhouse lot in Ward 2, on this motion A. J. Richards, Esq., advanced the idea that the town had spent money foolishly in this line in past years, and that it would be wise for the town to purchase a large lot of land and have plans made for a 12 room schoolhouse, accommodating 600 children. J. W. Amington, Esq., spoke in favor of the schoolhouse, but did not favor three High schools. Various allusions to the new schoolhouse in Ward 3, the building in Ward 2, how to get the schoolhouse established, and other pertinent questions were discussed.

NORTH WEYMOUTH.

Funeral Party.

The entertainment given in the Pilgrim vestry Wednesday evening last week, for the spouses of the Sewing Circle, was a very enjoyable occasion. The first number of the programme was a fan drill, performed by eight young ladies from East Weymouth, with piano accompaniment by the Sewing Circle. This exercise was accurate and graceful and they must have been drilled by some very competent person to have arrived at such perfection.

The next presented was a Mother Goose song, "The Entertaining of Mother Goose," with piano accompaniment. The part first consisted of tableaux, pantomime and music, the programme being varied at the option of the audience. A very graceful and beautiful scene was given by the Little Misses, Little Blue, Little Yellow, Little Red, Little Green, Little Brown, Little Black, Little White, Little Pink, Little Purple, Little
